Praise

We have had several good meetings this past month. Debbie had the privilege of leading a young lady to the Lord, and Logan and Erin were able to minister with their puppets. Praise the Lord! We also were able to meet with several teens that had many great questions about being missionaries. We saw many souls come forward for salvation and committing to full time service during the month of September. To God be the glory!

At the end of September we flew to the West Coast, where we plan on spending time raising support in Oregon, Washington and Canada. This will be a blessing as we have family on the West Coast. Please remember us in your prayers during the month of October, as we will be crossing the Cascade mountain range several times. We are praying that God will hold off the snow so that we will not have to travel with snow on the ground.

We have had several additional churches take us on for support this past month, thank you and God Bless. We look forward to co-laboring together with you in New Zealand. We are anxious to get to the field and know that God will provide.
