Kia Ora (hello) from New Zealand. We have been so blessed to have this opportunity to help out the Reesors while they are on furlough. Debbie and I have been learning so much and look forward to what God has in store for us this year.

We are presently planning a Teen all-niter with two other missionary churches in the area for September 25<sup>th</sup>. Please keep this activity in your prayers. I am trying to get each of the teens to bring at least one of their unsaved friends. I believe that this will be another great opportunity to see souls saved. We will have a national youth speaker for this activity.

We just recently put together a church flier that we used for a church wide outreach. We had eleven people take fliers to the surrounding area. Please pray that we will see some results from their efforts. We had two ladies and a family from the area visit on Sunday. After the service I spoke to a young man (Jason) who was walking down the sidewalk. We talked about his salvation and he said that he would not make a decision at that time. However, he promised that he would be at church the following Sunday.

God is still working on our support while we are here doing His work. Praise the Lord! Our support level has increased to 95%, only 5% more to go. Please pray that the remainder of the support will come in so we do not have to return to raise the rest. Thank you for your continual support and we are forever grateful for your prayers. A special thanks to those who have given towards our household and vehicle needs.
