November was a busy but exciting month for us here at Kapiti Baptist Church (KBC). We baptized two and added five to our church family. We had two nearby missionaries and their church members attend the baptisms, which made for a cozy service. Immediately following the service we had evening tea (which is dinner) and fellowshiped with KBC's newest members.

Our Adult only Christmas dinner was a great success. We had three tables setup to seat twenty-four adults. We did not expect to have that many, but God filled every chair. We even had two visitors, which was a great blessing.

Almost every week we have visitors come to the church, and many have continued to return. We are so thankful for your prayers concerning KBC's growth; it is working. We also have a couple family members, which do not attend KBC, starting to come regularly. It's exciting to see God work in these families. Please pray that they will hear God calling them to salvation.

We have been preparing for a Christmas program called, "A Christmas Miracle." It has a great message on salvation, so please pray that souls will be saved. We have also put together a Christmas choir that will be singing the 14th and our Christmas program will be the 21st. A Christmas picnic (summer here) is planned for the 20th. Please pray that we will have good attendance for these activities.

Thank you for your continual support and prayers. We are short 4% of our needed support. If you are not currently supporting us and would like to, please send the support to the Springfield address above.

Thank you for the special Christmas and love offerings you sent us. We will be using them to support the above activities.
